### STREET CLOTHES TRAINING WEEK – Mon 15<sup>th</sup>, Tues 16<sup>th</sup> & Thurs 18<sup>th</sup> August

This year, we will be training in our street clothes indoors for a week (at all lessons), so please wear shoes that will not mark the floors at either of the halls. As always, this is to be more realistic training, (if you are attacked in the street you probably won't be wearing your gi and have bare feet!) but please don't wear your best clothes just in case they are accidentally damaged. Please note that we accept no responsibility for damaged clothing.

Regards,

Andy Wilkinson (4<sup>th</sup> Dan)
